

FloresHR Select HRA Plan Design Options

Examples Using a \$3000 Insurance Deductible*

*HRAs can reimburse either deductible expenses only or total out-of-pocket costs (depending on the medical plan, total out-of-pocket could include deductible, coinsurance, and co-pay costs). We are happy to talk through possible plan designs with you and your clients to help determine the best fit for your clients' goals.

For additional information or to discuss HRA plan options, please contact your business development partner at (800) 532-3327.
